

A LOOK AHEAD

In 2018 we welcomed your daughters into Cub Scouts. 2019 has started with a bang as we welcome girls into Scouts BSA and host the World Scout Jamboree for the first time in the United States since 1967. Thousands of Troops full of excited young women are starting their trail to Eagle and thousands of Scouts from around the world will gather in West Virginia.

Scouts BSA, you are making history!

The future is bright for the tens of thousands of young women joining Scouts BSA. Kaleen, a Scouting volunteer and mom, says, "It's an opportunity to give all of our youth the chance to be leaders. We are so excited for the possibilities!"

Welcoming the World

This world-class event couldn't happen without you, our volunteers. Over 10,000 of you are supporting Scouts from around the world at the 24th World Scout Jamboree. The Boy Scouts of America welcome co-hosts Scouts Canada and Asociación De Scouts De México to the Summit Bechtel Reserve for ten days of adventure. You are our best ambassadors. Have a great time in July!
